• **(h) Encumbrance Liability:** Any specific property bequeathed subject to an existing mortgage, charge, or loan shall pass to the respective beneficiary subject to such liability in proportion to their shares, without personal recourse against other beneficiaries, unless covered and discharged by an active loan-protection or mortgage-redemption insurance policy. This internal allocation between beneficiaries shall not in any manner prejudice, impair, or limit any lender's contractual rights, mortgage security, charge, or statutory remedies against the property or the estate;

• **(i) Court Authority & Probate:** Apply for Probate of this Will or any other court grant if deemed necessary or required by any institution or authority. In the event that no named Executor is able or willing to act, an eligible person may apply for Letters of Administration with the Will annexed in accordance with Sections 231 to 235 of the Indian Succession Act, 1925, as applicable.

I hereby bequeath, devise, and distribute all my specified movable and immovable assets to the designated beneficiaries in the exact proportions set forth below:

Asset #1 [Bank Account / FD]: State Bank of India (SBI) Savings Account ending in 4521, Hitec City, Hyderabad (Savings A/c No. ending in 4521, along with all fixed deposits standing in my sole name with SBI, or any renewed/successor accounts) (Approx Value: ₹35,00,000)

Asset #2 [Property / Land]: Residential Flat / Apartment (Flat 402, 4th Floor, Sai Balaji Residency, Madhapur, Super Built-up Area: 1,450 sq ft (UDS: 42 sq yds), Regd. LIFELONG RESIDENTIAL PROTECTION FOR SPOUSE (SUNITA SHARMA):
The bequests of the undivided 33% shares to my son Aarav Sharma and my daughter Ananya Sharma are expressly made subject to, encumbered by, and subordinate to the prior **PERSONAL LIFETIME RIGHT OF RESIDENCE AND OCCUPATION, BURDENING AND RESTRICTING THE ENJOYMENT OF THE REMAINDER SHARES** hereby granted in favor of my spouse, **SUNITA SHARMA**, in the whole of the said residential flat for her natural lifetime (non-terminable by any co-owner or person claiming under them, and voluntarily surrenderable only by Sunita Sharma through an express registered deed):

• **(i) Undisturbed Possession:** Sunita Sharma shall have the peaceful, undisturbed right to reside in, occupy, and use the said residential flat along with such family members as she desires during her natural lifetime, free from any eviction, interference, or demand for occupational charges or rent by the co-owners or any person claiming under them.

• **(ii) Legal Character, Assent & Protection of Lifetime Residence:** During Sunita Sharma's natural lifetime, neither Aarav Sharma nor Ananya Sharma, nor any person claiming through or under them, shall be entitled to seek physical partition, separate possession, or division of the flat. This protection constitutes an express testamentary personal life right of residence and occupation burdening and encumbering the remainder shares, and any sale, transfer, mortgage, or alienation of an undivided remainder share by any co-owner or successor shall be strictly subject to, encumbered by, and subordinate to Sunita Sharma's lifetime right of residence. My Executor, upon transmitting the property, is directed to execute and register a formal Deed of Assent specifically incorporating and recording Sunita Sharma's lifetime residence right, and to cause notice thereof to be noted in the records of the housing society and municipal tax authorities (without such administrative notations purporting independently to create proprietary rights). Pursuant to Section 325 of the Indian Succession Act, 1925, this testamentary bequest remains subject to the prior discharge of enforceable estate debts and liabilities out of the general assets as provided herein.

[——— Continued on Page 4 for Residential Outgoings & Succession Terms ———]

• **(iii) Outgoings & Domestic Utilities:** Routine domestic utility bills (electricity, water, gas, internet) shall be borne directly by the occupant; routine society maintenance charges and municipal property taxes shall be paid out of my residuary estate during the first three (3) years following my demise (provided that if the residuary estate is exhausted before the expiry of that three-year period, the co-owners shall contribute such charges proportionately in the ratio 34:33:33 from the date of exhaustion), and thereafter permanently shared by the co-owners in proportion to their ownership shares (34:33:33); while major structural and capital repairs shall be borne by the co-owners in proportion to their shares (34% by Sunita, 33% by Aarav, 33% by Ananya).

• **(iv) Voluntary Sale & Substitute Accommodation Guarantee:** In the event that the flat is sold during her lifetime with Sunita Sharma's express prior written consent, the net sale proceeds shall be applied first and foremost to acquire a substitute residential flat of equivalent or better standard (defined as: located within the same city, of comparable or greater carpet area, in a structurally sound residential building with comparable amenities and accessibility, and valued at not less than the net sale price of the entire original flat (less reasonable and documented transaction costs and enforceable estate debts discharged from the proceeds)) in which Sunita Sharma shall hold an identical lifelong right of residence and the substitute flat shall be held on the same terms (including the same succession, divesting, anti-alienation, and outgoings provisions) as the original flat under this Will, with remainder ownership vested in the co-owners in the proportions 34:33:33, and only the surplus sale proceeds, if any, shall be distributed among the co-owners in proportion to their shares; provided that the original flat shall not be sold unless a substitute flat satisfying the foregoing standard has been secured or an equivalent financial provision for Sunita Sharma's lifetime accommodation has been agreed and documented in writing; any shortfall between the net sale proceeds and the cost of acquiring the substitute accommodation shall be borne by the co-owners in proportion to their remainder ownership shares (34:33:33); and provided further that Sunita Sharma may, by express registered deed, waive this residential requirement in exchange for an agreed financial provision supported by an independent valuation.

• **(v) Vesting of Remainder Interest (Section 119 ISA):** The remainder ownership shares of Aarav Sharma and Ananya Sharma vest, subject to divesting in the circumstances set out below, in each child immediately upon my demise under Section 119 of the Indian Succession Act, 1925, but their right to physical partition or separate unencumbered possession is postponed until the demise of Sunita Sharma or her voluntary surrender of her residence right by registered deed. For the purposes of this clause, the expression "predeceases Sunita Sharma" means dying before the earlier of: (a) Sunita Sharma's death; and (b) the effective date of her registered voluntary surrender of her personal right of residence. A child's death after the effective date of such voluntary surrender shall not trigger the divesting provisions of this clause. If either named child predeceases Sunita Sharma (as so defined) having survived me by thirty (30) consecutive calendar days, their vested remainder interest shall divest and devolve in the following order of priority: FIRST, upon their surviving lineal descendants per stirpes, to the exclusion of spouses and collateral heirs from taking as substitute legatees under this testamentary gift-over mechanism (and a child conceived before the deceased child's death and born alive thereafter shall qualify as a lineal descendant under this Will, provided such child survives for thirty (30) consecutive days from the date of birth); SECOND, if such deceased child leaves no surviving lineal descendants, the divested share shall pass to the other named child under this Will (Aarav Sharma or Ananya Sharma, as the case may be) if that other named child is then living, or, if that other named child is also deceased, to that other named child's own surviving lineal descendants per stirpes. Any share of Flat 402 received by a surviving named child under this second tier shall itself remain subject to the same divesting conditions of this Clause (v) as originally applicable, until the expiry of Sunita Sharma's life right of residence; THIRD, if both named children have predeceased Sunita Sharma (as defined above) and neither has any surviving lineal descendants, the divested remainder shares of both children shall pass to SUNITA SHARMA absolutely and unconditionally as her own separate property.

• **(v-A) Non-Recursive Vesting of Descendant Interests:** Any share devolving upon lineal descendants under the first tier or the descendant limb of the second tier of this Clause (v) shall vest in such descendants absolutely and unconditionally as a vested remainder, subject only to Sunita Sharma's subsisting lifetime residence right, and shall not be subject to further divesting or reallocation under this clause upon their subsequent demise. For the avoidance of doubt, spouses and collateral heirs of a deceased child shall be excluded only from receiving any testamentary substitution or gift-over directly under this Will; and nothing herein shall restrict or prejudice the subsequent devolution, under applicable general succession law, of any share that has already vested absolutely in a beneficiary before their death.

• **(vi) Predecease Contingency:** If my spouse Sunita Sharma predeceases me or does not survive me by thirty (30) days, this personal life right of residence shall never arise, and the undivided shares of the children shall vest and be enjoyed immediately and unencumbered.

- **34% Undivided Share (With Lifelong Personal Right of Residence)** — Bequeathed to **Sunita Sharma (Spouse)** [Aadhaar Card: Ending in XXXX-9182]
- **33% Undivided Share (Subject to Prior Life Right of Residence)** — Bequeathed to **Aarav Sharma (Son)** [PAN Card: Ending in XXXX-812B]
- **33% Undivided Share (Subject to Prior Life Right of Residence)** — Bequeathed to **Ananya Sharma (Daughter)** [Aadhaar Card: Ending in XXXX-4567]

Asset #3 [Mutual Funds / Stocks]: Zerodha Broking Ltd (CDSL — DP ID: 12081600) Investment Holding (Account/Client: Client ID: 04521892 | BO ID (16-digit): 1208160004521892 (Trading Client Code: ZR4521, covering all equity shares, ETF units, and mutual fund folios)) (Approx Value: ₹45,00,000)

- **34% Absolute Share** Bequeathed to **Sunita Sharma (Spouse)** [Aadhaar Card: Ending in XXXX-9182]
- **33% Absolute Share** Bequeathed to **Aarav Sharma (Son)** [PAN Card: Ending in XXXX-812B]
- **33% Absolute Share** Bequeathed to **Ananya Sharma (Daughter)** [Aadhaar Card: Ending in XXXX-4567]

[——— END OF ASSET SCHEDULE • SUCCESSION, ANTI-LAPSE AND CHARITABLE PROVISIONS FOLLOW ———]

SURVIVORSHIP & ANTI-LAPSE PROVISIONS (30-DAY RULE):

• **(a) General Anti-Lapse & Representation:** If any named beneficiary predeceases me, or fails to survive me by a period of thirty (30) clear consecutive calendar days following my demise, the share bequeathed to such deceased beneficiary (including any share in the residuary estate) shall not lapse, but shall devolve per stirpes by representation across successive generations: that is, equally among their surviving children, with the surviving lineal descendants of any deceased child taking that deceased child's share by representation, provided that such substitute descendants also survive me by thirty (30) consecutive calendar days, except that the survival period for any qualifying posthumously born descendant shall be determined exclusively in accordance with Clause (c), commencing from the date of that descendant's live birth. For the purposes of Section 109 of the Indian Succession Act, 1925, it is my express contrary intention that where a named child or lineal descendant predeceases me, the relevant bequest shall devolve directly upon the qualifying substitute lineal descendants in accordance with the anti-lapse provisions of this Will, rather than passing through the estate of the predeceased legatee, to the extent permitted by applicable law.

• **(b) Proportionate Accretion without Lineal Descendants:** In the event that a deceased beneficiary leaves no surviving lineal descendants who survive me by thirty (30) days (except that the survival period for any qualifying posthumously born descendant shall be determined exclusively in accordance with Clause (c), commencing from the date of that descendant's live birth), their share shall be divided proportionately among the remaining surviving named beneficiaries in the relative ratio of their original shares under this Will.

• **(c) Testamentary Definition of Lineal Descendants:** For the purposes of this Will, the expression "lineal descendants" is defined by this instrument to include both natural-born and legally adopted children, grandchildren, and further descendants ${adoptionStatute}; and a person conceived before the death of the beneficiary whose share is devolving under this anti-lapse clause, and born alive thereafter, shall be treated as a qualifying lineal descendant for all purposes under this Will, with the thirty (30) day survival period calculated from the date of birth of such posthumous child.

• **(d) Coordination with Flat 402 Residence & Non-Recursive Vesting:** Clause (v) governs the divesting of a child's share of Flat 402 where that child survives me by thirty (30) days but dies before Sunita Sharma (as defined). The general anti-lapse provisions continue to apply to Flat 402 where any named beneficiary predeceases me or fails to survive me by thirty (30) days, and to all other assets and the residuary estate. Any share of Flat 402 passing to a named child, sibling, or substitute lineal descendant under these general anti-lapse provisions takes subject to Sunita Sharma's life right of residence (if she survives me by thirty (30) days, and otherwise takes free of that right under Clause (vi) above); and where Sunita Sharma's life right arises, any share so passing to a named child or sibling shall additionally remain subject to the divesting and succession conditions of Clause (v) above until the expiry or effective registered voluntary surrender of that right. Where any substitute lineal descendant receives a share of Flat 402 by representation under these general anti-lapse provisions, such share shall vest in interest in that descendant absolutely and unconditionally as a vested remainder (subject only to Sunita Sharma's prior lifetime right of residence if she survives me by thirty days), and shall not be subject to any further divesting or reallocation under Clause (v) upon that descendant's subsequent demise. Where Sunita Sharma predeceases me or fails to survive me by thirty (30) consecutive calendar days, all shares of Flat 402 passing under this Will (whether to named children, siblings, or substitute lineal descendants) shall vest and be enjoyed immediately and unencumbered, free from any residence right or divesting restriction.

[——— Continued on Page 6 for Charitable Fallback & Administrative Trusts ———]

ULTIMATE CHARITABLE FALLBACK (PREVENTION OF INTESTACY):
If, upon application of all preceding survivorship, substitution, and anti-lapse provisions, no named beneficiary or qualifying lineal descendant survives the Testator by thirty (30) consecutive calendar days (provided that the survival requirement for any qualifying posthumously born descendant shall be determined in accordance with the birth-based survival rule stated in the anti-lapse clause above), then my Executor is directed to realise my entire net estate (including selling immovable property at prevailing market rates and closing all accounts) and, after discharge of all enforceable debts, taxes, and testamentary expenses, pay over the net proceeds to the **PRIME MINISTER'S NATIONAL RELIEF FUND (PMNRF)**, Prime Minister's Office, Government of India, New Delhi, for charitable public relief purposes. In the event that PMNRF is unable to accept the bequest or has ceased to exist, the net proceeds shall be paid to the **PM CARES FUND** (Prime Minister's Citizen Assistance and Relief in Emergency Situations Fund), New Delhi, as named alternative charitable recipient; in the further event of their unavailability, to the **INDIAN RED CROSS SOCIETY (National Headquarters, New Delhi)**; and failing which, to be paid to HelpAge India, a society registered under the Societies Registration Act, XXI of 1860 (Registered Office: C-14, Qutab Institutional Area, New Delhi 110016), for the relief of poverty, education, and eldercare; and failing which, to such other institution duly registered and approved as a charitable institution under applicable income-tax law, operating in one or more of the following charitable fields: poverty relief, medical assistance, education, disaster relief, or eldercare in India, as my Executor, acting honestly and with clearly documented reasons and selection criteria, shall select with the prior approval of a court of competent jurisdiction obtained by appropriate court application, in each case to the absolute exclusion of any intestate succession.

TESTAMENTARY TRUST & MINORITY PROTECTION:
Where any beneficiary's entitlement under this Will vests or becomes distributable while such beneficiary is below eighteen (18) years of age, the relevant property and shares shall be held and administered under this testamentary trust until the beneficiary attains majority:
• **(a) Appointment of Testamentary Trustee:** Their share shall be held in trust by my spouse, **SUNITA SHARMA**, as Primary Testamentary Trustee (and Natural Guardian ${guardianStatuteA}).
• **(b) Successor Trustees:** In the event that Sunita Sharma predeceases me, dies during the administration of the trust, resigns, or becomes incapable of acting, my brother **SURESH SHARMA** shall act as Substitute Testamentary Trustee; and failing him, a Trustee appointed by a Court of competent jurisdiction under the Indian Trusts Act, 1882 shall act as Successor Trustee.
• **(c) Administration & Statutory Protection:** The Trustee shall hold and administer the minor's property without remuneration, keeping separate trust bank accounts and annual books of account. The Trustee shall have power: (i) to invest liquid funds prudently in scheduled bank fixed deposits or central/state government securities; (ii) in respect of any undivided share in immovable property or securities, to hold, manage, and vote such share and receive rental or dividend income, provided that, where the Trustee is acting in the capacity of natural guardian ${guardianStatuteC}; and where the Trustee (whether the Primary or any Successor Trustee) is acting solely in the capacity of testamentary trustee and not as natural guardian, their actions shall be governed by the terms of this Will, applicable trust law under the Indian Trusts Act, 1882, and any court directions or permissions required by law; and (iii) to apply the net income and, if strictly necessary for the minor's benefit, reasonable portions of the corpus exclusively for the minor's education, healthcare, maintenance, and welfare.
• **(d) Termination & Vesting at Majority:** Upon the minor attaining the age of eighteen (18) years, the entire remaining trust property, together with all accumulated income and interest (less documented minor-related expenses), shall be transferred and delivered to such beneficiary absolutely.

SECTION VI NOMINATION DIRECTIVE & BENEFICIAL OWNERSHIP

Any nomination registered in respect of my bank accounts, Fixed Deposits, Demat accounts, shares, mutual funds, or other financial assets shall operate in accordance with the applicable legislation governing that asset. Where the law treats a nominee as a recipient for transmission or discharge purposes without conferring beneficial ownership, the beneficial entitlement shall be determined strictly in accordance with this Will and applicable succession law, and any nominee receiving such assets shall hold them as trustee and custodian for the beneficial legatees designated herein. Nothing in this Will shall override any beneficial entitlement expressly conferred upon a nominee by applicable statute, including Section 39(7) of the Insurance Act, 1938.

SECTION VII RESIDUARY ESTATE CLAUSE

Any other real, personal, movable, or immovable property, bank accounts, investments, jewellery, digital assets, vehicles, insurance proceeds, or claims whatsoever belonging to me at the time of my death not specifically mentioned herein shall devolve and be divided among my designated beneficiaries in the specified proportions: **Sunita Sharma** (Spouse) — 34% absolute share, **Aarav Sharma** (Son) — 33% absolute share, **Ananya Sharma** (Daughter) — 33% absolute share, subject to the anti-lapse provision above.

Having carefully considered and provided for my beloved family in accordance with my judgment, I hereby declare that no other relative, heir, or third party shall have any claim, title, or interest whatsoever in my estate save as expressly bequeathed under this Will, to the maximum extent permitted by law.
